REFUSAL OF CARE

CRITERIA FOR REFUSING MEDICAL CARE

The patient meets all of the following:

1. Is a patient 18 years or older.
2. Exhibits no evidence of:
   - altered level of consciousness
   - alcohol or drug ingestion that would impair judgment.
3. Understands the nature of the medical condition, as well as the risks and consequences of refusing care.

1. **Acknowledgment of Information**
   - I have been advised that medical care on my behalf may be necessary and that refusal of care and assistance could be detrimental to my health. I acknowledge that I may have a medical problem which may require additional medical attention, and that emergency medical services is available or may be called to transport me to the hospital. Instead, I elect to seek alternative medical care and/or refuse further evaluation, treatment, and/or transport.

2. **Release of Liability**
   - By signing this form, I am releasing Walters State Community College of any liability or medical claims resulting from my decision to refuse medical care.

Signature of person refusing care: _____
